

Fluffy Cake with Strawberries by Food Storage Moms

Ingredients:

White cake mix

1-pint of whipping cream

1-8-ounce package of cream cheese

1 cup of powdered sugar

1 large package of strawberry Danish Dessert (use 1-1/2 cups water instead of 2 cups)

Fresh strawberries sliced, as many as you like

1-pint of whipping cream (whipped) to garnish the pieces when served

Instructions:

Prepare a white cake mix as directed in a greased 9-inch by 13-inch cake pan. Cool. Cream the package of cream cheese and powdered sugar. Fold in the whipping cream. Spread this layer over the cake. Next, you place the fresh strawberries over the whipping cream mixture. Cook the Danish dessert and cool slightly then spread over the strawberries. Refrigerate the cake. Place a dollop of whipping cream on each serving. Yummy!
